

*Cookies and Tracking Technologies:*

We may use cookies, web beacons, and other tracking technologies to collect information about your browsing activities on our website. Cookies are small text files that are stored on your device when you visit a website. They help us improve your experience, understand your preferences, and track usage statistics. You can control the use of cookies through your browser settings.

We use cookies and tracking technologies to:

- Remember your preferences and settings
- Improve website functionality and performance
- Analyze usage patterns and trends
- Monitor and prevent fraudulent activities
